

Digital Meetup Code of Conduct

Purpose

The purpose of this policy is to provide a code of conduct for any and all Stupid Cancer community members who choose to attend a Digital Meetup (DMU). It applies to all individuals present at Stupid Cancer DMUs.

Policy Statement

While attending a Stupid Cancer DMU, I agree that I will:

- Treat everyone in the AYA cancer community with dignity, respect, and worth.
- Make a commitment to be non-judgmental about the cultural differences, living conditions, beliefs, and/or lifestyles of other Stupid Cancer community members.
- Keep conversations confidential so that DMUs are a safe space for all.
- Refrain from making insensitive or offensive comments about politics, religion, race, gender identity, sexual orientation, or other potentially sensitive topics.
- Be cautious when requesting or sharing personal details, including medical and contact information (email, phone number, social media). Maintain appropriate boundaries both within and outside of Stupid Cancer mediated environments. Respect that other community members may prefer not to socialize outside of a Stupid Cancer group setting.
- Abstain from the consumption or use of all tobacco products, any recreational drugs, and/or excessive alcohol while involved with any Stupid Cancer event.

Accountability

Stupid Cancer reserves the right to remove any community member from a DMU or other Stupid Cancer programs for not adhering to this Code of Conduct or behaving in an abusive or inappropriate manner.
